

## Store Policies

- Enjoy your purchases! But remember that **ALL SALES ARE FINAL**. There are no Refunds.
- We understand that larger items may not fit in your vehicle. However, since our space is limited, we must insist that **purchases be removed from the store within four days**. We would be happy to provide you with the name/s of reputable movers.
- We are highly selective. Therefore we must **reserve the right to refuse consignments**. We know what sells and want to make sure we provide our consigners and our customers with quality merchandise at reasonable prices.
- We **reserve the right to refuse the re-consignment** of items for up to four years. Keeping a fresh inventory is important to us. With that said, if the item is something highly sellable, we reserve the right to waive this policy.
- If staffing and good health permits, we will be happy to help you load an item into your PREPARED vehicle. In other words, please have seats down, trunks clear, rope available, etc. **We are not responsible for damages to items loaded into your vehicle**. We cannot guarantee the strength of our staff at all times. So please understand if we recommend you come back with some help or arrange for delivery by a mover.
- **Enjoy yourself**. We appreciate your business!
